Estrela Marketing Solutions Gaming Enthusiasts List is composed of individuals who have filled out an extensive questionnaire, providing us with information on their demographic, psychographic and geographic characteristics. This segmented database gives advertisers the capability of targeting more than 3 million gaming enthusiasts residing in the US, who have expressed interest in receiving email offerings of different products and services specifically tailored to their specific interest.

These are ideal prospects for: Video Game Makers/Developers, Electronic Retailers, CD clubs, DVD clubs, video clubs, fan clubs, home theaters, electronics, entertainment magazines, concerts, credit cards, computer software and hardware, wireless, Internet access and merchandise in general, and any product or service relevant to the entertainment industry. This is the opportunity to target consumers based on their hobbies and interests.

Delivery includes:

Text message (English, Spanish and/or Portuguese)
HTML message (English, Spanish and/or Portuguese)
Tracking of Click-Throughs, and Open Rates

Creative Services:

HTML Email Design
Translation of creative and/or landing page
